GROUP

Delivering expected results...exceeding client expectations

Crupi Consulting Group is committed to supporting growth for First Nation and Aboriginal communities, people, and economies. We offer strategic business development services that are dedicated to the needs of First Nation and Aboriginal clients. We take great pride in addressing community visions and value the balance between traditional practices and future community development.

Crupi Consulting Group was established in 2000 and boasts extensive experience of working with First Nation and Aboriginal communities. Our strong team of professionals will work closely with you to ensure that your community achieves its goals and reaches its maximum potential.

Crupi Consulting Group offers a broad range of specialized services.

STRATEGIC PLANNING

We can assist your community and/or its corporations with the strategic development and implementation of short and long-term goals. This service will enable you to anticipate opportunities, trends, and developments, but most importantly, to plan for future needs.

PROJECT DEVELOPMENT

We aid our First Nation clients to get vital projects and business ventures off the ground and moving forward. Services offered in this area include the preparation of Feasibility Studies, Business and Marketing Plans, as well as Financial Economic Impact Studies, Business Counseling and Cost Benefit Analyses.

NEGOTIATIONS

A neutral third party can often be a valuable asset when dealing with external businesses and organizations. Through our negotiation services, we will work to ensure that your new business partnerships and joint ventures work in your best interests. Our qualified team can assist you with Natural Resource Allocation, Mediation and Problem Solving.

FUNDING PROCUREMENT

A great business concept is always dependent on funding. At Crupi Consulting, we are experts at sourcing new capital and funding applications with the best possible terms to get the start-up dollars that you need. Our resources include; Funding & Grant Applications, Bank Financing, Merchant Financing, Equipment Financing and Training & Wage Subsidies.

FINANCIAL & REMEDIAL ACTION PLANNING

Our staff will work with you to create a plan that enhances your long-term economic success and security. The plan will reflect your community goals and needs. In cases of financial difficulty, we create short-term plans that will help your community return to a positive financial standing and start moving towards greater financial security for the future.
